ABOUT THE WORKSHOP

The Basics

Transformational Expository Preaching is preaching that is faithful to Scripture and fruitful in the church. It is directed by God's Word and applied to God's people.

The Transformational Expository Preaching Workshop is a time for pastors who are engaged in the preaching and teaching of God's Word to come together and grow in their passion for the Word of God and in their ability to preach the word of God.

Working through 1 Thessalonians, this 6 week interactive workshop led by Pastor Colin Smith will help you grow in preaching that is Biblical, theological, clear, convincing, & Christ exalting. This gives pastors the opportunity to develop a message that they will actually preach later that Sunday or sometime in the future!

What to Expect

- Discover the message of 1 Thessalonians for the church today through sample expositions.
- Develop your own sermons through interaction with other preachers in small group break out sessions.
- Learn and apply the principles of transformational expository preaching.

What is Expected of You

- Come to each session with a preaching outline from 1 Thessalonians.
- Give and receive feedback with others in your small group.
